### BISHOPS' LETTER ON IMMIGRATION

The Catholic bishops in Maryland this week issued a joint statement calling for all people of faith and good will to come together in a spirit of compassion, prudence and cooperation in addressing the issue of immigration. The bishops also urge state and local elected officials to consider several guiding principles when determining the appropriate relationship between federal immigration officials and local law enforcement. The statement can be found at <http://www.mdcathcon.org/bishopsstatements>

### SOCIAL JUSTICE CORNER

Baltimore County residents,  
The Baltimore County Council is considering a bill that would require the County to participate in the federal program that confers authority on local law enforcement to work closely with Immigration & Customs Enforcement (ICE). Where implemented, this program has created distrust between local law enforcement and the immigrant community. A final vote is expected Monday, June 5 at 6 PM. Please consider calling your council member and asking him/her to vote against bill 32-17.
