

WE HAVE A DREAM: A WORLD WITHOUT RACISM

MARCH, 2022 - Should We Acknowledge Our Sin of Racism?

We began with the Lenten Reconciliation Service that focused on the Sin of Racism. (See recording)

We edited the letter to Archbishop Lori and Bishop Lewandowski acknowledging our complicity in racism and urging actions in the archdiocese. We discussed pros and cons of waiting until the Town Hall to get approval for parish signature instead of signing it from this We Have a Dream group.

We discussed South Baltimore Community Land Trust's immediate needs and that we invited their leadership team to our April 20, 2022 meeting. We advised the group how to donate to SBCLT.

We ended with a prayer.
