

WE HAVE A DREAM: A WORLD WITHOUT RACISM

JANUARY, 2024 - How Can We Impact Systemic/Structural Racism?

We did not meet on our third Wednesday in December, five days before Christmas.

We began with a prayer.

We previously discussed the critical need to support bills that address racial equity in the justice system, transportation etc. Jack Schmidt, our legislative guru, reviewed the state legislative period and what we will do to inform the group and parish. He emphasized the importance of knowing your legislators and making your voices heard. He explained groups with whom we work, efforts already made and how we would proceed. Stay tuned to take action.

We discussed films, webinars and books people recommended for further enlightenment.

We thanked those who contributed to our Racial Equity Fund and will soon send a check to South Baltimore Community Land Trust to support their outstanding work building affordable, sustainable homes.

We closed with a prayer after a reminder that we would next meet on March 20, 2024 at 7 pm.
